

Old City South - Exhibit A

ITEM	LOCATION	WORK NEEDED	CITY STAFF RESPONSE	DONE
1	St. Francis St	Move Oldest House trolley stop to the parking lot.	Staff is working with UF and the Trolleys.	
2	St. Francis/Marine	Crosswalks & signage across Marine and St. Francis St.	Staff is going to develop a crosswalk plan.	
3	Miniature Golf	Move trolley stop south away from traffic signal.	The trolley stop will be moved south taking up one of the law enforcement parking spaces.	
4	Avenida Menendez	Remove east on street parking to create a trolley/carriage/bike lane.	Parking must remain on the east side.	✓
5	Entire Neighborhood	Reduce speed limit signs from 25 to 20 mph.	Work is completed.	✓
6	Avenida Menendez	Install speed limit signs on Avenida Menendez.	Work is complete.	✓
7	St. George Street	Fix poor street and sidewalk conditions.	St. George St Improvements are programmed into the Capital Improvements Plan for FY2022.	
8	Cordova Street	Fix poor street and sidewalk conditions.	Work is scheduled.	
9	St. George Street / Palm Row	Install speed limit sign.	Work is complete.	✓
10	CPS / St. George St	No parking on St. George between Bridge St and St. Francis St.	There are only 4 on street spaces on this block and will remain due to lack of off-street parking.	✓
11	CPS	Paint "one way" exit arrow out of parking lot.	City will coordinate with CPS to paint the one way marking.	
12	St. Francis Inn	Paint "one way" exit arrow out of parking lot.	City will coordinate with the Inn to paint the one way marking.	
13	Entire Neighborhood	Limit carriages going through the neighborhood.	Carriages are only allowed in the area when chartered or heading to/from stables.	✓
14	Riberia / King Street	Install left turn signal on Riberia.	City staff has requested FDOT to install the left turn signal. This requires FDOT approval.	
15	Entire Neighborhood	Fix flooding in the streets.	A flood control project for Maria Sanchez Lake is underway that will alleviate street flooding.	
16	City Parking Garage	Implement pay by hour at the garage.	City staff are working on a city-wide parking financial model to evaluate pay by hour.	
17	City Marina	Why are there three law enforcement parking spaces?	The spaces are provided to law enforcement for access to their vessels. A spot is being relocated.	✓
18	St. Francis Park	Complete sidewalk.	Work is complete.	✓
19	South Street	Complete sidewalk.	City staff are working on tactical urbanism plan to create a 4' pedestrian walkway along South St.	✓
20	St. Francis/St. George	Create a no parking zone at the intersection on the southeast corner on St. George.	Work is complete.	✓
21	Entire Neighborhood	Look at better placement of Truck Permit Signs.	Work is complete.	✓
22	Llambias House	Coordinate with Llambias for better loading drop off area for events.	Staff will evaluate.	

ITEM	LOCATION	WORK NEEDED	CITY STAFF RESPONSE	DONE
23	Bridge Street Loading Zone	Provide better enforcement of loading zone.	City does not enforce loading zone because it does not control the loading zone.	✓
24	Landscaping near City Marina	Remove landscaping.	Landscaping will be removed with pedestrian connectivity project.	
25	City Marina Steps	Install a crosswalk from City Marina to sidewalk across Avenida Menendez.	Staff is going to develop a crosswalk plan.	
26	King St / Avenida Menendez	Remove no right on red sign at traffic signal.	The signage must remain due to the intersection configuration.	✓
27	Maria Sanchez Lake	Add trash receptacles and dog dispenser along shoreline.	Staff will coordinate with Solid Waste to place.	
28	St. George / Cordova	Eliminate curb side parking for better turning movement at intersection.	Work is complete.	✓
29	Entire Neighborhood	Residential parking permits.	A zonal ordinance has been approved. Petitions for restricted parking may be submitted.	✓
30	Marine Street	Stop night time speeding on Marine St.	Staff will schedule to post digital speed signs in the area.	
31	Entire Neighborhood	Landscaping encroaching into the sidewalk and blocking views from intersections.	Work is complete.	✓
32	St. George St (south of St. Francis)	Reduce speeding with traffic calming measures.	Staff will evaluate speeding on this section.	
33	Cordova / Bridge St	Remove parking spaces on Cordova Street near Bridge to make right turn easier.	Work is complete.	✓
34	Bridge Street	Change directions east to west.	Staff did not see a benefit in a directional change.	✓
35	St. Francis St.	Change directions west to east.	Staff did not see a benefit in a directional change.	✓
36	Marine St / San Salvador	Expand no parking along Marine St for better turning movement.	Work is complete.	✓
37	Cordova Street (Bridge to King)	Paint a traffic lane line to delineate north/south traffic lanes.	Work is complete.	✓
38	Cordova (east side)	Install sidewalk from St. Francis to Bridge.	No sidewalk will be installed at this time due to continuous sidewalk on the west side.	✓
39	Cordova Street (Bridge to King)	One way Cordova from Bridge to King.	At this time Cordova will remain two-way.	✓
40	Marine Street (north of Tremerton)	Fix/widen sidewalk.	Work is complete.	✓
